Dear Sir:

With reference to the subject application, Applicants acknowledge receipt of the Notice of Allowance and Notice of Allowability dated December 16, 2003. It has been noted that claims 293-298 and 362 were present in this application as of the last office action (dated April 23, 2003). However, no mention is made of claims 293-298 and 362 in the Notice of Allowability, nor were there comments from the Examiner to explain the absence of these seven claims.

la-704593

Applicants, therefore, request an indication on whether claims 293-298 and 362 were allowed. If these claims were allowed, Applicants respectfully request a supplemental Notice of Allowability noting the allowance of these omitted claims.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing 393032016800. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
